CAUSE

The petition for modification in the conditions of supervised release is made at the request of this officer and as agreed to by Mr. Stewart, as noted in the attached waiver signed by the defendant. The basis for the request is Mr. Stewart submitted two urine samples which tested positive for marijuana and cocaine. He appears to have substance abuse issues and is in need of treatment. The defendants supervising probation officer in the Western District of Missouri believes placement in such a program would be an appropriate sanction and would allow for closer monitoring of the defendants substance abuse issues.
